

**Model : MPM1140GACH**

**OMEGA<sup>o</sup>**  
REFRIGERATION

**beverage cooler - swing door**

## features

- Durable exterior and interior in “Chromadeck” or stainless steel finish
- Rigid “Self-Closing” doors fitted with “Armour Glass” for safety
- Cooling evenly distributed throughout unit for maximum efficiency
- Lighting for maximum sales impact
- Quality and workmanship guaranteed (excl. glass and light tubes)
- National sales and service back up
- Push-on door seals can be replaced without tools
- Ozone friendly refrigerant
- All heavy gauge/epoxy shelves are fully adjustable
- LED Lighting
- Maintenance free condensers on most models

ENGINEERED BY  
**JUST**  
REFRIGERATION

## specifications

- Capacity: 870L
- Number of Doors: 2
- Shelves per door: 4
- Case Packout: 980 x 330ml Cans / 490 x 500 PET
- Cooling by compressor
- Temperature Range: 3° to 5°C
- Refrigerant: R290/380g
- Voltage: AC 220V/50Hz
- Dimensions: H – 2020mm x W – 1130mm x D – 673mm
- Interior Dimensions: H – 1600mm x W – 1050mm x D – 583mm

### emd equipped™

Breakthrough technology replaces a conventional thermostat with an advanced electronic energy management system to cool quicker and maintain a more consistent temperature, while saving precious electricity.

### low e cabinet™

A superior combination of LED lighting, polyurethane insulation and low emissivity glass yields power savings around 40% lower than conventional refrigeration units.

### green advantage™

By combining EMD control with ECM fans, electronic expansion valves and high-performance coils, we are able to further reduce energy consumption while improving cooling performance.
